

NO MERCY SHOWN BY ANY JUDGES TO THESE CRIMINALS

Pleas for Clemency Denied to
Five—All Sent to Sing Sing
Prison.

The disposition of Judges of the criminal courts to inflict severe sentences upon persons accused of vicious crimes was further indicated by the action of Judges in Brooklyn and Manhattan to-day. County Judge Reuben L. Haskell of Brooklyn in denying pleas for clemency advanced by five convicted felons said:

"The time for the criminal to weigh his reasons for clemency is before he commits a crime. Criminals brought before me will be judged and punished according to the degree of their crime, and if their record has been bad then the punishment they deserve will be greater."

The men sentenced were: George Dixon, No. 123 Post Avenue, the Bronx, robbery, third degree, five to ten years, Sing Sing.

William Shepps, No. 192 Grand Street, and Anthony Burdulis, No. 214 North Sixth Street, both of Brooklyn, carrying a revolver, two to four years, Sing Sing.

Joseph Ferallio, No. 114 Ninth Street, grand larceny, second degree, five years, Sing Sing.

Samuel Wohl, No. 665 Rockaway Avenue, assault, second degree, two and one-half to five years, Sing Sing.

Joseph Anderson of No. 407 West 26th Street, a former convict, was sent to Sing Sing for six years (flat to-day by Judge McIntyre in the Court of General Sessions after pleading guilty to a violation of the Sullivan law. He was arrested Sept. 25 last for attempting to hood up two men for a bottle of whiskey and indicted for robbery and the other charge.

"No man with a prison record and a gun in his hand will get any clemency from this court," said the court in passing sentence.

YALE FACULTY WOMEN HAVE SOCIAL CENTRE

Old Anson Phelps Stokes House
Turned to Tea and Rest Rooms.

NEW HAVEN, Jan. 10.—A tea room, a rest room while downtown shopping and a comfortable place to meet friends or their husbands, will be given to the women of the Yale faculty. The historic Colonial house of Anson Phelps Stokes is now to have a caretaker installed and tea made available until May.

Faculty women will no longer be obliged to wait in the vestibules of downtown drug stores or public buildings for their husbands, but may rest comfortably with friends in their new social centre.

INSURANCE SOLICITOR ENDS LIFE
Leonidas Whiteman, fifty-five, an insurance solicitor of No. 1216 Pacific Street, was found dead in his bed this morning. A gas jet was open. Mrs. Anna Lee, his landlady, said he knew of no reason why he should have wanted to commit suicide. He had been living there more than a year.

SWEARS OPIE SHOT MAN AT VERDUN

Witness's View Opposed to That
of His Superior's at Watson
Hearing.

WASHINGTON, Jan. 10.—Charles E. Fox of Richmond, Va., testified to-day before a Senate investigating committee that he saw Major Opie shoot a soldier in the back, north of Verdun, in 1918.

"The man shot was wearing the American uniform," said Fox. "I was 150 feet away. As the boy was shot he threw his hands in the air and toppled over. I do not know if the man died. Sergt. Kane also saw the shooting."

Fox declared the soldier was within six feet of the Major when the shooting took place; that he had approached the officer and was moving off.

Asked why he did not report the case to Lieut. Moring of Richmond, Fox said: "That guy would shoot me, he wouldn't take any foolishness."

A letter from Moring, written from Casper, Wyo., was read in which he wrote that he had heard the soldier was running away and that Opie had a right to shoot.

SOVIET ACCEPTS PARLEY INVITATION

Lenin's Attendance Improbable,
Litvinoff Will Head
Delegation.

MOSCOW, Jan. 10 (Associated Press).—Soviet Russia will gladly send a delegation to the international Financial and Economic Conference, but it is extremely doubtful whether Premier Lenin himself will be able to go.

Russia's reply, sent by Foreign Minister Chicherin, expresses satisfaction at having received the invitation and states the question of the appointment of the Russian delegation will be solved by an extraordinary sitting of the Central Executive Committee.

The Russian delegation probably will be headed by M. Litvinoff, and will include Leonid Krassin, Soviet Trade Representative and M. Hogdantoff, chief of the Economic Council.

WOULD HAVE U. S. BUY ALL LIQUOR

Congress Committee Has Plan for
Big Saving and to Defeat
Bootlegging.

WASHINGTON, Jan. 10.—Purchase by the Government of all liquor supplies in the country will be recommended to President Harding soon by the Joint Congressional Committee on Governmental Reorganization.

The plan is to have Uncle Sam buy all the liquor now in bonded warehouses. It totals about 25,000,000 gallons and could be bought, it is estimated, for \$50,000,000. The Treasury would quickly get back this money and more, the committee thinks, by the sale of 5,000,000 gallons for medicinal purposes at \$12 a gallon.

The committee holds it proposal would save millions of dollars now paid out to guard the warehouses and keep records. The Government must now guard the 140 bonded warehouses and must in addition provide a vast machinery for its handling so that it will not fall into the hands of bootleggers.

PULLMAN AUTHORIZED
TO BUY CAR COMPANY

At Cost of \$10,500,000 in Stocks—
Protest Overruled.

WASHINGTON, Jan. 10.—Authority was to-day granted the Pullman Company by the Interstate Commerce Commission to purchase the property of the Haskell & Barker Car Company by issuing 165,000 shares of new capital stock, having a par value of \$16,500,000.

Protest was filed by C. E. Nash of Los Angeles, on the ground that the price paid would be so high as to increase charges to the public users of Pullman equipment, but the commission held that the Pullman Company could have completed the transaction without asking Interstate Commission permission.

paid out to guard the warehouses and keep records. The Government must now guard the 140 bonded warehouses and must in addition provide a vast machinery for its handling so that it will not fall into the hands of bootleggers.

ASKS FOR A CIGARETTE
AS HOLD-UP MEN WORK

Held as a Witness for Trial of
Robber Suspects.

Bail totaling fifteen times the value of the loot was fixed to-day for Peter Tursino, put under \$10,000 bonds, and Louis Vindisla, under \$5,000 bonds, accused of holding up Philip Kootalein, a tailor, at Caldwell, N. J., and forcing him to roll a safe into a back room and open it. Less than \$1,000 in cash, bonds and old watches was the net haul.

Sergt. Willis Paget, a Marine Corps veteran of Geneva, N. Y., visiting in Caldwell, identified Vindisla as the man who drove off in a racing car waiting outside the place with the man identified by the tailor as Tursino.

Angelo Nastro, employed by Koehnlein, was held in \$500 bail when it was learned that during the holdup he had asked one of the men for a cigarette. Nastro was not menaced. He is to be a material witness at the trial.

All three prisoners live in Newark. They pleaded not guilty.
